

SUMMER SCHOOL ADDITIVE MANUFACTURING

23rd-24th August 2018

BAMOS PROJECT

Horizon 2020 MARIE SKŁODOWSKA-CURIE
RESEARCH AND INNOVATION STAFF EXCHANGE

Biomaterials and Additive Manufacturing: Osteochondral Scaffold
innovation applied to osteoarthritis
(H2020-MSCA-RISE-2016-734156)

西安交通大学
XI'AN JIAOTONG UNIVERSITY

New trends in
technologies of
additive
manufacturing

Standards in
additive
manufacturing

Biofabrication and
biomaterials

Design for additive
manufacturing in
the medical field

Case studies in
the field of tissue
engineering and
medical field

XI'AN JIAOTONG
UNIVERSITY

School of Mechanical
Engineering

State Key Lab for
Manufacturing Systems
Engineering
